Local Ranger

Patricia 'Patti' Bremner is a new countryside ranger for the east of Caithness and wants to come along chat to us all and give us a little quiz on nature!

She is very eager to come out to Dunbeath so I hope we can give her a warm welcome 2pm on Wednesday March 26th

Looking Back

Taking a moment to look at things you might have missed, on the 29th of January we had along the team from Wick Heritage, who were kind enough to bring us film from a Dunbeath Harbour Day to show off and we had a brilliant time!

Then on February 19th we invited along delightful musical guest Ady Harper to play us some tunes, which we greatly enjoyed, he brought along Camilla to play and serenade along with him.

And we finished up our month with a trip to the Wick Nucleus Archive which we couldn't take our eyes off of it was so fascinating and a delicious lunch at the Nethercliffe Hotel, on the 26th of February.

Musical Entertainment

We never want to be short of musical talent in the building and the coming month we're bringing along Steven Sinclair to sing and play us through the afternoon.

We last saw Steven at Christmas time and it was great fun to have him along!

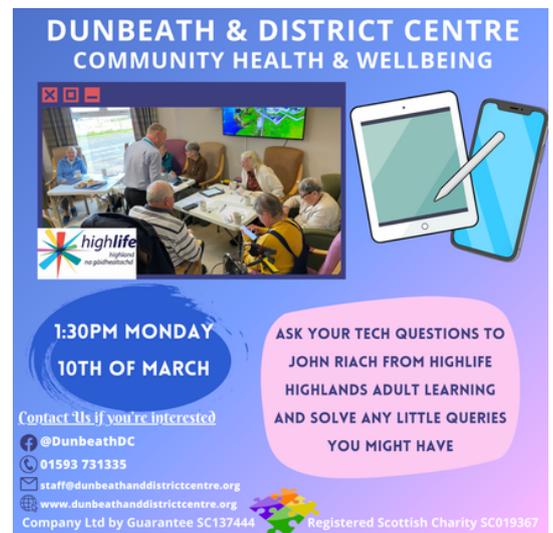

If you fancy a wee tune pop in on Friday the 21st of March at 2pm and tap your feet away
