Remembrance

In the month of November we take time to look back in remembrance, and this year we have been pulling out all the stops for a display of poppies to shine a light on the lives lost.

With a team of around 20 volunteers, knitting and crocheting poppies to give us a grand total of 1,312 incredible poppies to display inside and out of our centre!

We cannot thank our volunteers enough for getting stuck in, whether you made 2 or 200 you are a star to us, thank you from the whole D&DC team!

Keep your eyes peeled for the display.
